REMARKS

Amended versions of Figures 2 and 11B were submitted with payment of the issue fee on November 29, 2004. These amended figures were not printed with the issued patent. Figure 11A has been resubmitted in order to correct a typographical error. Specifically, in Figure 11A, item 202, the word "aquires" has been replaced with --acquires--. In Figure 11B, item 212, the word "acces" has been replaced with

Patentee: Ozluturk et al.

--access--; and in the item 218, the word "releted" has been replaced with --related--.
All figures have been attached. In Figure 2, item number "20" has been
renumbered --21--, and item number 22 has been renumbered --23--. The changes
to Figure 2 correct redundancies in the item numbering.

Patentees believe that the above errors are of such a nature as to justify the
issuance of a Certificate of Correction. Patentees have enclosed a completed Certificate
of Correction Form PTO/SB/44.

Since at least one of the errors was caused by Applicant, please charge the
surcharge fee of \$100 to the Deposit Account of InterDigital Communications
Corporation, Deposit Account No. 09-0435.

Patentees respectfully request that the Certificate of Correction be issued.

Respectfully submitted,

Ozluturk et al.
